Click on your name in the upper right corner, then under "LISTS" choose "ALL LISTS."

Add a new List and give it a name.

To add items to your List, search for your item. Click "ADD TO LIST," then select the checkbox next to the List you created.

Go back to your account and click on your List name to view the items you've added.

Next time you need to re-order any of these items, select the items in your list and click "ADD ITEMS TO CART."
